- Review weekly two-way interaction rates

### RECONFIRMATION MEETING FOR OCTOBER, 2020

#### Reconfirm instructional delivery method: (Overall statement)

Our district will be continuing with the current offerings for instruction through the end of 2020. We are currently examining survey data, requirements, staff health as well as several factors related to COVID-19 to see if we are able to offer in-person instruction for grades 7-12 for second semester. We just recently surveyed our families regarding online or face-to-face learning and transportation preferences for the second semester.

We will review current Kindergarden thru Grade 6 students' preferences and will also work on using this data, again, to continue to do our best to build a schedule with a full-time in-person option for students in Grades 7-12.

We would hope to start any new schedules for the second semester which begins on Monday, January 4, with plans to continue through the end of the school year on Friday, May 28.

#### Reconfirm how instruction will be delivered for each grade level:

**Elementary (Grades BK - 5):** Offering in-person and online options for all students with Dansville teachers.

**Middle School (Grades 6 - 8):** Offering in-person and online options for 6<sup>th</sup> grade students with Dansville teachers.

For Grades 7 and 8, we are offering online courses with Dansville teachers as well as opportunities to come into the building for in-person small group instruction and support via Sign Up Genius. Offering Aggie Aid Tuesdays and Thursdays from 6-8 pm and Saturdays from 10 am - noon.

**High School (Grades 9 - 12):** For Grades 9-12, we are offering online courses with Dansville teachers as well as opportunities to come into the building for in-person small group instruction and support via Sign Up Genius. Offering Aggie Aid Tuesdays and Thursdays from 6-8 pm and Saturdays from 10 am - noon.

**Reconfirm whether or not the district is offering higher levels of in-person instruction for English language learners, special education students, or other special populations:**

We did bring back our students who are in the elementary behavior intervention room in-person full time as well as students in Grades 6-12 who are in the Aggie Room, where they receive significant special education support. All other students with an IEP have been offered either in-person or online supports, in compliance with their IEP goals.

Several at-risk students in Grades 7-12 have also been offered the chance to work in the building. This offer has also been extended to students who are unable to secure reliable internet at home.

**Document Public Comments from 10/26/20 Board Meeting:**

None

**REVIEW WEEKLY 2-WAY INTERACTION RATES**
