

Dansville Elementary School August Board Update

Back-to- School Bash was well attended this year! The building was packed and many families were at the school for the entire hour and a half event catching up with friends while enjoying a free hot dog dinner in the cafeteria.

The first few days of school have been a huge success with a lot of happy faces from students, staff, and parents! We are looking forward to a great year! Teachers and students are enjoying the air conditioned classrooms!

Preparations are underway for the fall round of screeners. FAST Bridge is given to collect the latest literacy data and Spring Math is used to collect math data.
