Re: DES update

- M-STEP testing has been completed for all students 3rd-5th grades.
- FAST Bridge and Spring Math screenings are currently being completed for this spring. This is our third screening of the year which collects data on reading and math growth.
- Our beloved Literacy Specialist, Sue Provencal is retiring. She will be celebrated this Tuesday, May 24th along with Amy Hodgson in the HS Media Center.
- A special thank you to Jenny Service, Kim McNabb, Andrea Salinas, and Amy Convey for planning a wonderful evening of celebrating our 5th graders at their graduation event this past Monday. A short ukulele concert, awards presentations and 'diploma' presentation made it a well rounded event.
- A special thank you to the local Ladybugs for donating funds to help us update our playground balls/equipment, PE equipment and additional books for the library. They have always been so generous with sharing their funds to benefit students directly including support for field trips like 5th grade camp and the 4th grade Mackinac trip.
- Aggie Academy will provide instruction for K-5 students from May 31-June 30 on Mondays-Thursdays from 8:30-11:30. Busing is provided this year.
- Ms. Krejcik has put a lot of planning into this year's version of our annual Field Day experience. This Tuesday will be the big event with lower elem in the morning and upper elem in the afternoon.
- Congratulations to Emily Hoard and Jen Dowdy for earning their tenure at our last Mentor/Mentee meeting of the year!
- Thank you to the Kindergarten team as they presented a fantastic Mothers' Day Tea event that was very well attended.
