

Dansville Middle School Board Report:

November 3 and 4 DMS teachers had parent-teacher conferences. We had multiple parents sign up for zoom conferences. Teachers were able to share their celebrations about students as well as their concerns.

DMS Student Council decided and received permission from the Dansville Village Council to decorate the light poles downtown again. Student Council also had their Halloween Bash outside on November 6 to help raise funds for Student Council and students heading to Washington DC in May. Students were able to dance, paint pumpkins and participate in a costume contest as well as make great memories.

Friday, October 29 Mrs. McNabb took our 8<sup>th</sup> grade students to MSU to watch the MSU band warm up and perform. Students loved seeing everyone in action and reported back they truly enjoyed themselves.
