

## Middle School Report

### Field Day 2021:

Middle School students participated in our annual field day on May, 27, 2021. Students engaged in multiple activities outside including soccer, kickball, softball and much more. Students enjoyed an outdoor picnic that turned into an impromptu middle school dance with staff and students enjoying some music. Memories were made and laughs were in full force!

### 8th Grade Graduation:

8th grade students were able to celebrate the end of their middle school career by completing their 8th grade walk out as well as some yummy ice cream purchased by our DMS student council! Students then entered the High School gym and were surprised by being surrounded by family members and others who have supported them over the years. Students received their 8th grade diploma and some fist bumps from their teachers. It was great to find a way to still celebrate this very memorable moment.
