

High School Board Report
April 2023

1. **Save the Date!!!** We'd love to have you join us for our Senior Honors Night where we will celebrate, award, and look back on the Class of 2023 and their journey to graduation!

2. **Puttin' On The Hits:** This year's talent brought great performances to the competition. I believe there is a video of the staff bucket drumming floating around if you're interested.

3. **CMAC Senior Scholar Athletes:** We celebrated 10 of our Senior Athletes at this year's CMAC Schola Athlete Banquet. CMAC student-athletes have earned at least one varsity letter in two different sports (one having been earned during their senior year) and have maintained a 3.4 grade point average.

4. **eSports:** Dansville High School Esports Team just wrapped up their inaugural season in Spring 2023 MHSEL (Michigan High School Esports League). We had 4 teams competing in two titles - 2 in Super Smash Brothers Ultimate and 2 in Rocket League. We had a lot of other students who practiced and got better at games who didn't want to play this season but may in the future!

Here are the competing teams and their records:

<p>Aggies Black Rocket League: Record 2-6 Cara Grice Dylan Graf Erika Jachalke Carter Tkaczyk (Sub)</p>	<p>Aggies White Rocket League: Record 5-3, Rank 24, made playoffs! (playoffs had 32 teams) Tyler Ward Donald Moses Christian West Carter Tkaczyk (Sub)</p>
<p>Aggies White Super Smash Brothers Ultimate: Record 2-6 Cara Grice Dylan Graf Erika Jachalke</p>	<p>Aggies Black Super Smash Brothers Ultimate: Record 4-4, Rank 68 (seeded 59), made playoffs! (playoffs had 64 teams) Parker Woodard Donald Moses Ethan Root Carter Tkaczyk (Sub)</p>

We had a fantastic first season with a lot of people to thank: Jonathan Green (coach/tech wizard), Christian Lloyd (coach/fundraising discussions), all of our administrators for their support, the DSEF for selecting our program for a grant, the community support, and the student body for their support.

We have some exciting ideas for the fall and spring seasons with details to come!

5. **Teen Court:** Mrs. Krieger and her Social Studies students attended an in-person Teen Court experience where they acted as peer jurors. They heard a case, deliberated, and issued a response to another student's actions in their school. It was a great experience for all involved.

6. **Upcoming:** Please mark your calendars for some other upcoming events.
