Review of Extended COVID-19 Learning Plan

(Required review within 6 months of receiving ESSER III Grant Funds)

Grant Funds Received: February 20, 2022

Original Extended Continuity of Learning Plan:

Extended COVID-19 Learning Plan - September 2020_Updated 10-1.pdf

Approval Date of the Original Extended Continuity of Learning Plan: September 28, 2020

Agenda:

- Reconfirm how instruction is going to be delivered during the 22/23 school year
- Public comments from parents and/or guardians on the Extended Learning Plan

Reconfirmation Meeting for: **July 25, 2022**

Instructional delivery method:

PreK-12th Grade:

- In-person
- Hybrid
- Virtual-Live Synchronous
- Virtual-Asynchronous
- Hard Copy Materials
- Other

For the 2022-23 school year, Dansville Schools will solely provide in-person instruction to our population of students. Students who must miss school due to illness will have the opportunity to make up the work according to our handbook policies, which may include completing tasks online or via materials picked up from school. Dansville Schools does have a small number of at-risk high school students who must complete credit recovery courses virtually through Graduation Alliance, but this is not an option provided to all families because of the COVID-19 pandemic.

Dansville Schools will continue to hold high expectations for student achievement and will continue to work toward closing any gaps in learning that may have occurred because of the pandemic. Each year, we set goals for math and reading and consistently monitor student progress through assessments such as FASTBridge and Spring Math. We continue to work on relevance, rigor, and relationships as well to enhance the learning experience for all students.

Face Covering Protocols:

Dansville Schools will support staff and students' discretion on whether to wear a face covering and those who choose not to, with the exception of staff and or students that test positive with COVID-19.

Cleaning Protocols:

Dansville Schools and CleanTeam USA will ensure that high-level disinfection practices will continue, including providing hand sanitizer for staff and students.

Athletics:

Dansville Schools will align all athletic programs and protocols to the approved Michigan High School Athletic Association (MHSAA) guidelines.

Screening Protocols:

Parents/guardians should conduct a daily student wellness check prior to sending students to school.
DO NOT SEND STUDENTS TO SCHOOL IF THEY ARE SICK.

Students exhibiting the following symptoms that are new or different/worse from their baseline of any chronic illness shall remain home until the student is symptom-free for 24 hours without the aid of medication or as indicated for their illness:

- Severely ill (lethargic or less responsive, has difficulty breathing)
- Fever (temp over 100.4) or feeling feverish/chills
- Cough, shortness of breath
- Sore throat
- Runny or stuffy nose (congestion)
- Muscle or body aches
- Headaches
- Fatigue (tiredness)
- Vomiting (two or more times)
- Diarrhea (two or more loose or watery stools)
- Abdominal pain
- Rash with fever
- Wearing skin sores that cannot be covered
- New loss of taste or smell

COVID-19 Testing & Quarantining Protocols:

Student and staff vaccinations are not required. Through grant funds, Dansville will continue to employ two

health resource advocates to assist with COVID-19 testing should staff or families request that a rapid test be performed. For 2022-23, Dansville Schools will not be conducting contract tracing nor imposing quarantine rules.

Visitor and Volunteer Protocols:

Visitor and volunteer protocols will revert to pre-pandemic policies as outlined in building handbooks.

Student Transportation:

Normal transportation operations will occur.

Document Public Comments: (to be completed after the 7/25/22 Board Meeting)

Review of Weekly 2-Way Interaction Rates:

For the 2022-23 school year, two-way interaction rates are only required for our students who participate in the high school's virtual credit recovery program.

Should protocols become mandated by national, state, or local health officials, Dansville will notify the public immediately of these changes.
