March 2022

- The Dansville High School Band participated in the Michigan School Band and Orchestra Association District 8 Band Festival. They received valuable feedback from an adjudicator and earned an overall Division 2 rating.
- The Dansville FFA had an excellent showing at the Regional contest. Seniors Shayann Tonti and Lexi Ganzhorn (Demonstration) earned Silver, and senior Jenna Schild (Speech) moved on to the State competition.
- Junior Vanessa Kovalchik and freshman Parker Woodard earned an Aggie Kindness Award. They were recognized by the staff for all of the little things they do each day to spread positivity and kindness at Dansville High School.
- Senior Nate Stec won the Skills USA competition for his outstanding work in the carpentry contest. Nate will now move on to the State competition in April. We are appreciative of the Wilson Talent Center for providing these great opportunities for our students.
- Junior Sasha Sherrick and freshman Liz Dase represented the Dansville FFA at the State Convention. The students had an opportunity to vote on the new state officers, participate in an official State FFA meeting, and toured the State Capitol.
- Senior Jenna Schild received her FFA State Degree as well as a Silver award for her prepared public speech at the FFA State Convention. Jenna also won her division with her Science Fair project on how lactation cycles affect protein levels in milk.
