

Dansville Middle School Board Report:

Parent-Teacher conferences were held March 9th and 10th. Multiple parents signed up and teachers were able to discuss academic progress and concerns. Teachers also talked with parents of students who may be struggling academically and could benefit from our summer intervention program in June.

Our DMS Maxime House celebrated their yearly event of March is Reading Month on Wednesday, March 16 with the overall theme of Everything is Possible by having a Beach Themed Read in Day! Students participated in multiple events including a book tasting where they “sampled” several types of books, had quiet reading on the “beach,” participated in a scavenger hunt about different inspirational books, as well as ate snacks and drinks. During their snack time, students participated in a trivia about various books as well. Many students enjoyed the day, and a big thank you goes out to Linsey Ebert and Angie St. Amant for helping their Maxime House create such a memorable moment for the DMS students!
